 [Verse]

C G Em  
 Never ever knew that this could be  
 D  
 My reality, oh whoa  
 C G Em  
 All my years expecting tragedy  
 D  
 Crashing down on me, oh whoa  
 C G Em  
 Within you there's a light, I could not fight  
 D  
 Even if I tried, oh whoa  
 C G Em  
 Forever by my side in this ride  
 D  
 We'll never let this die, oh whoa

[Chorus]

C G  
 I will follow you  
 Em D  
 'Til there's no beat left within me  
 There's no need for dreaming  
 C G  
 You shake the insides  
 Em  
 Of what I hide  
 D  
 Brought me to life  
 C G Em D  
 Conquered all of my shy  
 There's no need for dreaming

[Verse]

C G Em  
 Hope was drifting far away from me  
 D  
 Further out to sea, oh whoa  
 C G Em  
 Comfortable with being lonely  
 D  
 Woe is me, oh whoa  
 C G Em  
 Unaware of all my sorrow  
 D C  
 Swallow, whoa, my happiness  
 G Em  
 You dug down deep and pulled out the peace

D  
 Love was released, oh whoa

[Chorus]

C G  
 I will follow you  
 Em D  
 'Til there's no beat left within me  
 There's no need for dreaming  
 C G  
 You shake the insides  
 Em  
 Of what I hide  
 D  
 Brought me to life  
 C G Em D  
 Conquered all of my shy  
 C G Em D  
 There's no need for dreaming  
 There's no need for dreaming

[Bridge]

C G  
 No hold on the days  
 Em D  
 That we spent wasting away  
 C G  
 You let me in  
 Em D  
 Without ever seeking friends  
 C G  
 You overflowed my soul  
 Em D  
 And made all good things grow  
 C G Em D  
 And no, no, we're not made for sorrow

[Chorus]

C G  
 I will follow you  
 Em D  
 'Til there's no beat left within me  
 There's no need for dreaming  
 C G  
 You shake the insides  
 Em  
 Of what I hide  
 D  
 Brought me to life  
 C G Em D  
 Conquered all of my shy  
 C G Em D  
 There's no need for dreaming  
 There's no need for dreaming
