

MisterWives - Oceans

```
Intro: F G C Am
the winds of melody, sings to me so happily
when you're near me everything is just alright
when it all seems so wrong
your love reminds me where we belong
                       Am
you make my cloudy dark skies so bright
stay, forever-ever like this and laugh and love this
happy bliss and
as time runs through our fingers
this love, this love will stay and linger
so hold me close and never never let go and promise to love
through every high and low
     Αm
these words you are singing to me and my everything
my everything, you're my everything, my everything
The planets and stars
and venus and mars
no they don't measure up to you-ooo-ooo, no, a noo
Nothing can compare to you this size
we're this life we've strung let's never never undo
so, can we
stay, forever-ever like this and laugh and love this
happy bliss and
```

```
as time runs through our fingers
this love, this love will stay and linger
so hold me close and never never let go and promise to love
through every high and low
     Am
these words you are singing to me and my everything
my everything, you're my everything, my everything
                             Am
so lets run with wreckless emotion, lets find out if love is
the size of the ocean
and a hundred hearts would be too full to carry all my love
for you
                    \mathsf{Am}
so lets run with reckless emotion, lets find out of love is
the size of the
F G C
oh-oh oceans, oceans
  G C
woah-woah oohhhh oceans
  G C
woah-woah oceans, oceans
F G C
woah-woah oceans
so can we stay forever like this and just laugh and love in
these happy places
as time runs through our fingers this love will stay and
linger
would you hold me close and never, never let go, promise to
love through every high and low
  F
these words you are singing to me and my, my oh everything, my
everything, my,my,my, my everything,
C (F G C)
my everything
```
