Constantly in the darkness, where's that at?

If you want me I'll be in the bar

On the back of a cartoon coaster

In the blue TV screen light

Dm C
I drew a map of Canada

Dm C G2 Am
With your face sketched on it twice

Oh, you're in my blood like holy wine

You taste so bitter and so sweet

Oh I am a lonely painter
I live in a box of paints
I'm frightened by the devil
And I'm drawn to those ones that ain't afraid

I remember that time you told me, you said love is touching
souls

Surely you touched mine 'cause
Part of you pours out of me

In these lines from time to time
Oh, you're in my blood like holy wine

Taste so bitter and so sweet
Oh, I could drink a case of you darling

Still I'd be on my feet
I would still be on my feet [intro progression]

I met a woman, she had a mouth like yours
She knew your lies

She knew your devils and your deeds, and she said
Go to him, stay with him if you can

But be prepared to bleed
Oh but you are in my blood, you're my holy wine

You're so bitter, baby
Bitter and so sweet

Oh I could drink a case of you darling
Still I'd be on my feet

I would still be on my feet [intro progression]
