

Joni Mitchell - Cactus Tree

tom:
B
 There's a man who's been out sailing
 In a decade full of dreams
 And he takes her to a schooner
 And he treats her like a queen
 Bearing beads from California
 With their amber stones and green
 He has called her from the harbor
 He has kissed her with his freedom
 He has heard her off to starboard
 In the breaking and the breathing
 Of the water weeds
 While she was busy being free
 There's a man who's climbed a mountain
 And he's calling out her name
 And he hopes her heart can hear
 Three thousand miles
 He calls again
 He can think her there beside him
 He can miss her just the same
 He has missed her in the forest
 While he showed her all the flowers
 And the branches sang the chorus
 As he climbed the scaley towers
 Of a forest tree
 While she was somewhere being free
 There's a man who's sent a letter
 And he's waiting for reply
 He has asked her of her travels
 Since the day they said goodbye
 He writes "Wish you were beside me
