Verse
I met a redneck on a Grecian isle
Who did the goat dance very well
He gave me back my smile
But he kept my camera to sell
Oh the rogue the red red rogue
He cooked good omelettes and stews
And I might have stayed on with him there
But my heart cried out for you California

Chorus
Oh California I'm coming home
Oh make me feel good rock 'n' roll band
I'm your biggest fan
California I'm coming home

Bridge

And the streets are full of strangers

All the news of home you read
E C
Just gives you the blues
A
Just gives you the blues

Verse
So I bought me a ticket
I caught a plane to Spain
Went to a party down a red dirt road
There were lots of pretty people there
Reading Rolling Stone reading Vogue
They said "How long can you hang around?"
I said a week maybe two
Just until my skin turns brown
Then I'm going home to California

Chorus
California I'm coming home
Oh will you take me as I am
Strung out on another man
California I'm coming home
Bridge/Outro

E G
Oh it gets so lonely when you're walking
D A
And the streets are full of strangers
E G
All the news of home you read
D
More about the war
A
And the bloody changes
E G
Oh will you take me as I am?
D
Will you take me as I am?
A
Will you?
