Or any reason to re- -sume

In this crowded waiting room

Ev-erybody waiting

Old man sleeping on his bags

Women with that teased-up kind of hair

Kids with the jitters in their legs

And those wide, wide open stares

And the kids got Cokes and chocolate bars

There?s a thin man smo-king a fat cigar

Jealous lovin?ll make you crazy

If you can?t find your goodness
'Cause you lost your heart

What are you gonna do now?

You?ve got no one to give your love to

Well, I?ve got this berth

I?ve got this fold-up sink

And these rocks and cactuses go-ing by

And a bottle of German wine to drink
C G

D C
Settle down into the clickety-clack
With the clouds and the stars to read
F7 Am
Dream-ing of the pleasure I?m gon-na have

Watching your hair-line recede

My vain darling

Watching your hair and clouds and stars

I?m rocking away in a sleeping car
