

Joni Mitchell - Peoples Parties

Tom: C

Tune guitar to open D

From low to high : DADF#AD

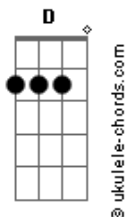

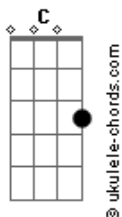

Please note that the strumming pattern is only approximate. The shapes are the main thing - I've indicated roughly how many times each is strummed but this isn't 100% accurate.

The same with the words - the changes should match up fairly well with the words but listen to the record to get the detail.

- All the people at this party they got a lot of style

They got stamps of many countries they got passport smiles

Some are friendly, some are cutting, some are watching it from the wings

Some are standing in the centre giving to get something

The rest follows almost exactly the same pattern - the only real difference is at the end with the lines 'laughing it all away':

This repeats three times (I think) then it goes :

Laughing it all away

That's all !
