

# Joni Mitchell - See You Sometime

Tom: C

(intro) ( F C F C G C )

Where are you now?  
Are you in some ho-tel room  
Does it have a view?

Are you caught in a crowd  
Or holding some ho- -ney  
Who came on to you?

Why do you have to be so jive?

Okay, hang up the phone  
It hurts, but some-thing survives  
Though it's un- -der-mined

I would still like to see you sometime

I'm feeling so good  
And my friends all tell me  
That I'm looking fine

I run in the woods  
I spring from the boul- -ders  
Like a mama lion

I'm not ready to change

My name again, but you know I'm not after a piece  
Of your for- tune and your fame

'Cause I tas- ted mine  
I'd just like to see you sometime

Pack your sus-pen-ders  
I'll come meet your plane  
No need to surrender

I just want to see you again

We're in for more rain  
I could sure use some sun- - shine  
On my apple trees

It seems such a shame  
We start off so kind  
And end so heartlessly

I couldn't take them all  
On then with a head full of questions  
And hypes, so when the hopes got so slim  
I just re-signed  
But I'd just like to see you sometime  
I would sure like to see you
