

Mitski - A Pearl

```
Every night, baby, that's where I go
                               tom:
                                                                      ( C Ab F )
( C Ab B Eb )
Intro: Eb
[Primeira Parte]
                                                                      [Pré-Refrão]
                                                                                      Ab F
                                                                      Sorry I don't want your touch
C Ab B
It's not that I don't want you
You're growing tired of me
C Ab B
You love me so hard and I still can't sleep
C Ab
                                                                      C Ab F
You're growing tired of me
                                                                      Sorry I can't take your touch
                                   Fb
And all the things I don't talk about
                                                                      [Ponte]
[Pré-Refrão]
                                                                      There's a hole that you fill
               Ab F
                                                                      Bb F Ab
You fill, you fill
Sorry I don't want your touch
  C Ab B Eb
It's not that I don't want you
                                                                      [Refrão Final]
           Ab
Sorry I can't take your touch
                                                                                              F
                                                                                      Eb
                                                                      It's just that I fell in love with a war
[Refrão]
                                                                      Eb G Ab
                                                                      Nobody told me it ended
                                                                            Eb
              Eb
It's just that I fell in love with a war

Eb G Ab

Nobody told me it ended

Eb F

And it left a pearl in my hand
                                                                      And it left a pearl in my hand
                                                                       C Bb
                                                                      And I roll it around
                                                                      Eb G Ab

Every night, just to watch it glow
Eb G Ab

Every night, baby, that's where I go
Eb G Ab
  C Bb
And I roll it around
Eb G Ab
Every night, just to watch it glow
Eb G Ab
                                                                      Just to watch it glow
