

Mitski - Class Of 2013

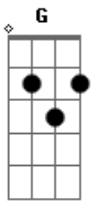

tom:
 Mom, I'm tired
 Can I sleep in your house tonight?
 Mom, is it alright
 If I stay for a year or two?
 Mom, I'll be quiet
 It would be just to sleep at night
 And I'll leave once I figure out

How to pay for my own life too
 Mom, would you wash my back?
 This once, and then we can forget
 And I'll leave what I'm chasing
 For the other girls to pursue
 Mom, am I still young?
 Can I dream for a few months more?
