

# Mitski - I Don't Smoke

tom:  
Bbm (forma dos acordes no tom de Am)  
Capostrate na 1ª casa

I don't smoke  
Except for when I'm missing you  
To remember your mouth  
How it tasted true  
And I don't smoke  
Except for after I've held you, baby  
Being with you  
Makes the flame burn good  
So if you need to be mean  
Be mean to me  
I can take it and put it inside of me  
If your hands need to break  
More than trinkets in your room  
You can lean on my arm  
As you break my heart  
I'm what's left of when we  
Swam under the Moon  
Now the rest of my days are just

Waiting for when  
You come down and tell me  
I was meant for you, baby  
Being with you  
Makes the flame burn good  
If you need to be mean  
Be mean to me  
I can take it and put it inside of me  
If your hands need to break  
More than trinkets in your room  
You can lean on my arm  
As you break my heart  
Just don't leave me alone  
Wondering where you are  
I am stronger than you give me  
Credit for  
If your hands need to break  
More than trinkets in your room  
You can lean on my arm  
As you break my heart
