

Mitski - I Don't Smoke

tom:

Bbm (forma dos acordes no tom de **Am**)

Capostrate na 1ª casa

I don't smoke
 Except for when I'm missing you
 To remember your mouth
 How it tasted true
 And I don't smoke
 Except for after I've held you, baby
 Being with you
 Makes the flame burn good

 So if you need to be mean
 Be mean to me
 I can take it and put it inside of me
 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart

 I'm what's left of when we
 Swam under the Moon
 Now the rest of my days are just

Waiting for when
 You come down and tell me
 I was meant for you, baby
 Being with you
 Makes the flame burn good

 If you need to be mean
 Be mean to me
 I can take it and put it inside of me
 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart

 Just don't leave me alone
 Wondering where you are
 I am stronger than you give me
 Credit for

 If your hands need to break
 More than trinkets in your room
 You can lean on my arm
 As you break my heart
