

Mitski - Me And My Husband

tom:

Intro: Gb Gb Abm Eb

I steal a few breaths from the world for a minute

And then I'll be nothing forever

And all of my memories

And all of the things I have seen will be gone

With my eyes with my body with me

But me and my husband

We are doing better

It's always been just him and me

Together

So I bet all I have on that

Furrowed brow

And at least in this lifetime

We're sticking together

Me and my husband

We're sticking together

(Gb Gb Ab Eb F)

And I am the idiot with the painted face

In the corner, taking up space

But when he walks in, I am loved, I am loved

Me and my husband

We are doing better

It's always been just him and me

Together

So I bet all I have on that

Furrowed brow

And at least in this lifetime

We're sticking together

Me and my husband

We're sticking together

Me and my husband

We are doing better
