

Mitski - Old Friend

tom:

We nearly drowned
 For such a silly thing
 Someone who loves me now
 Better than you
 And that pretty friend is
 Finally yours, and
 I'll be around on Sunday, if

[Refrão]

You'll meet me at blue diner
 I'll take coffee and talk about nothing, baby
 At blue diner, I'll take anything you want to give me, baby

(F Gm D Eb)

I haven't told anyone
 Just like we promised
 Have you?
 Every time I drive through the city where you're from
 I squeeze a little

[Refrão]

Meet me at blue diner
 I'll take coffee and talk about nothing, baby
 At blue diner, I'll take anything you want to give me, baby
 At blue diner, I'll take coffee and talk about nothing, baby
 Blue diner, I'll take anything you want to give me, baby
