tom:

Intro: G A E G
G A Em

[Primeira Parte]

G A Em
Fury, pure, and silver, you grip it tight inside
E Gbm G A E
Like a knife, it glints in your eye
Gbm G A Em
It's why I've arrived, your sex god, here to take you where
Gbm G A Em
You need to go to where the dark remembers you

[Pré-Refrão]

D G A Gb G A C B
Open up your heart like the gates of Hell

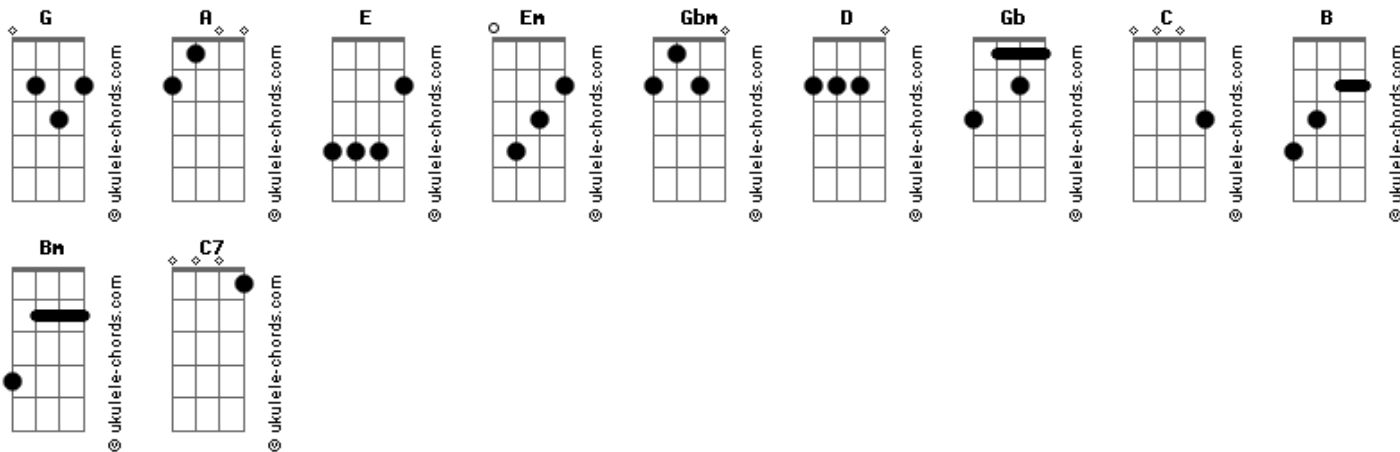

[Refrão]

D G C Gb
You stay soft, get beaten
Bm A Gb G
Only natural to harden up
D G C7 Gb
You stay soft, get eaten
Bm A G D
Only natural to harden up

(D G A E)
(D G A Em Gb)

[Segunda Parte]

Acordes

D G A Em
I am face down on my bed, still not quite awake yet
G A Em
Thinking of you, I tuck my hand under my weight
Gbm G A Em
Just tell me what you want to do, tell me what you want
Gbm G A Em
To burn away 'cause I could be your stoker
