

# Mitski - Wife

tom:  
Intro: F Dm D7 G7

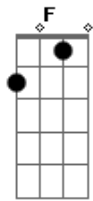

[Primeira Parte]  
You're home, you're home, you're home to me  
So leave me, leave me, leave me a map  
I'm here at my cliff looking down

[Refrão]  
I cannot bear you a son  
But I will try  
For if I am not yours, what am I?  
I daydream I'd give one a name of my own  
For I, even I, even I am alone

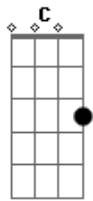

[Ponte]

[Segunda Parte]

I have, I have, I watch a dream breaking  
Breaking, breaking, breaking me  
Away from my cliff, I'm looking down from

[Refrão]

I cannot bear you a son  
I have tried  
But if I am not yours, what am I?  
I daydream I'd give him a name of my own  
For I, even mine, even mine is unknown

[Post-Refrão]

So let me go towards the morning star  
With hope it won't disappear
