

MJM - Parallel Universes

Tom: Bb

(forma dos acordes no tom de C)

Afinação: D G C F A D

You're walking around
 Trying to catch me out
 I don't know how
 But i'm stuck in your heart
 Somewhere right now
 Mr. i didn't allowed

 Something inside is begging for you
 Believe you're so good to be true
 Losing my mind is all i can do
 Maybe that's a big issue
 ?cause i can't hold myself next to you

 Oh my love
 In parallel universes lives our souls
 Oh your taste is on my tongue
 Only one heart but in different worlds
 Why so many rocks in the street?
 Loving must be not easy

Every smile from you to me
 Makes me lose control
 Oh i can finally see
 With you i can be my own
 Yeah with you it feels like hoood

 Oooo oooo oome
 Every beautiful thing you always say
 Goes straight into my heart's way
 What i need the most is stay
 Next to you my infinity
 Oh we are infinity

 Oh my love
 In parallel universes lives our souls
 Your taste is on my tongue
 Only one heart but in different worlds
 There's nothing i can do
 Unless fall in love with you
 You're my favorite view
 It's you, it's always you
 Oh my mirror moon
