

Måneskin - Gasoline

tom:

Intro: C

C You're nothing but gasoline

C Starting fires since seventeen

C Silver spoon in daddy's jeans

C You go four, three, two, one

C Count it, count it down

C Mister in a stolen dress

C You're so dark but you're painted red

C Soaking wet in your golden bed

C You go four, three, two

C One, counting, counting down

(C)

C How are you sleeping at night?

C How do you close both your eyes?

C Living with all of those lives

C On your hands?

C Standing alone on that hill

C Using your fuel to kill

C We won't take it standing still

C Watch us dance

C How are you sleeping at night?

Ab How do you close both your eyes?

F Living with all of those lives

F On your hands?

C Standing alone on that hill

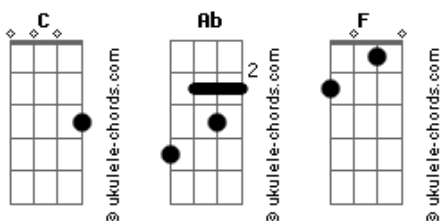

Ab Using your fuel to kill

F We won't take it standing still

F Watch us dance

C W?'re gonna dance on gasoline

Acordes

C W?'re gonna dance on gasoline

C We're gonna dance on gasoline

C Your ego is dangerous

C Your own blood is losing trust

C Neighbors left in the dust

C You go four, three, two

C One, count it, count it down

C Sitting in a stolen throne

C Playing god with a heart of stone

C The whole world is waiting for you to go

C Down, down, down, counting, counting down

C How are you sleeping at night?

C How do you close both your eyes?

C Living with all of those lives

C On your hands?

C Standing alone on that hill

C Using your fuel to kill

C We won't take it standing still

C Watch us dance

C How are you sleeping at night?

Ab How do you close both your eyes?

F Living with all of those lives

F On your hands?

C Standing alone on that hill

Ab Using your fuel to kill

F We won't take it standing still

F Watch us dance

C W?'re gonna dance on gasoline

C W?'re gonna dance on gasoline

C We're gonna dance on gasoline

[Final] C
