Well, cool kids, they do not use floss
Marry me in the countryside
Honestly, I don't give a fuck
I'm addicted to rock and roll, yeah
Beers up, drinks up, make a toast for me
I am scum, real scum, but I'm good at this
We're not punk, we're not pop, we're just music freaks
Spent two months in UK but I don't drink gin
Check my origins mate
Well, cool kids, they do not use drugs
Only weed 'cause it's not that strong
I'm a bitch and I have much fun
And I like doing things I love, yeah
'Cause I love that
I fucking love that

Cool kids, cool kids
Cool kids, we are cool kids
Cool kids, cool kids
Cool kids only fuck cool kids

But cool kids they do not vomit
Or at least not in front of Vic
I know you think she's a hot chick

Acordes

N.c
But I'm sorry, she prefers hot chicks
Cool kids, cool kids
Cool kids, we are cool kids
Cool kids, cool kids
Cool kids only fuck cool kids
But cool kids, they are not as cool as us
I don't see 'cause he makes me laugh
And you keep asking me about it
But my lyrics are all made up
Cool kids, cool kids
Cool kids, we are cool kids
Cool kids, cool kids
Cool kids only fuck cool kids
But cool kids, they do not like rock
They only listen to trap and pop
And everybody knows that rock and roll is dead
But I don't give a fuck about being a cool kid
Cool kids, cool kids
Cool kids, we are cool kids
Cool kids, cool kids
Cool kids only fuck cool kids
