C
 You'll be the saddest part of me

 A part of me that will never be mine

It's obvious

 I see your face when I close my eyes

It's torturous

 In case of death, that's what I want

That's what I want
G

 So don't be sad when I'll be gone
Am

There's just one thing I hope you know
G

I loved you so
C
 'Cause I don't even care about

The time I've got left here
Em
 The only thing I know now

Is that I want to spent it
Dm
 With you, with you

Nobody else here

 Tonight is gonna be the loneliest

Another go

 And all the crazy little things
 That we did together
Dm
 In the end, in the end, it doesn't matter
