Riot gal
 Hey
 Cruel, skinny lover with nothing to hide
 None like me, a sinner in disguise
 I wrote love songs about you long before I even met you
 Now here I am at your door
 'Cause all the time
 I'm thinking 'bout all the things we had
 Oh, but baby, I'll be fine
 Some things are better left behind, but
 BB, I will always
 I will always love you
 BB, I will always
 Be your riot gal
 Even though you don't want me to
 All I ever wanted was to keep you, baby
 Let me stay with you one last night and I promise you that I'll
 Go for a swim with my sisters (sisters)
 And I'll be better, for a while
 (Better)
 'Cause all the time
 I'm thinking 'bout all the things we had
 Oh, but as time goes by
 Some things are much better left behind, but
 BB, I will always
 I will always love you
 BB, I will always
 Be your riot gal

Even though you don't want me to
 BB, I will always
 I will always love you
 BB, I will always
 Be in love with you
 Even though you don't want me to
 (Riot gal!)
 (Hey!)
 (Riot gal!)
 (Hey!)
 (Hey, hey!)
 All the time
 I'm thinking 'bout all the things we had
 Oh, but, baby, I'll be fine
 Some things are much better left behind

 BB, I will always
 I will always love you
 BB, I will always
 Be your riot gal
 Even though you don't want me to
 BB, I will always
 I will always love you
 BB, I will always
 Be in love with you
 Even though you don't want me to

 Now your eyes look strange
 And the sky looks strange
 Even the streets look strange
 No, these times in life, oh
 They never really change, no
