

# Mø - Final Song

Tom: C

[Verse 1]

Please, won't you wait  
 Won't you stay  
 At least until the sun goes down  
 When you're gone, I lose faith  
 I lose everything I have found  
 Heart strings, violins  
 That's what I hear when you're by my side (Ooh)  
 Yeah, that's what I hear when you're by my side!

(Ooh)  
 But when you're gone the music goes (owowowohohs)  
 I lose my rhythm, lose my soul  
 So hear me out before you say the night is over  
 I want you to know that  
 we gotta, gotta carry on  
 N.C (G )  
 So don't let this be our final song

[Chorus]

(F ) C  
 So don't let this be our final song,  
 oh  
 So hear me out before you say the night is over  
 I want you to know that  
 we gotta, gotta carry on  
 N.C  
 So don't let this be our final song

[Verse 2]

Baby when we were young  
 There was nothing to make believe  
 And the songs that we sang  
 They were written for you and me  
 Melodies on repeat  
 That's what I hear when you're by my side (ooooh)  
 Yeah, that's what I hear when you're by my side (ooooh)  
 But when you're gone the music goes (owowowohohs)  
 I lose my rhythm, lose my soul (owowowohoh)  
 So hear me out before you say the night is over

I want you to know that  
 we gotta, gotta carry on  
 N.C (G )  
 So don't let this be our final song

(Oh) So don't let this be our final song  
 So hear me out before you say the night is over  
 I want you to know that  
 we gotta, gotta carry on  
 So don't let this be our final song

[Bridge]

ooohooohoo ooohoo, take us to a higher ground  
 Here and now, whatever you do, just don't look down  
 ooohooohoo ooohoo, underneath the disco light, it's  
 alright  
 We could make the perfect sound

We could make the perfect sound

But when you're gone the music goes (owowowohohs)  
 I lose my rhythm, lose my soul  
 So hear me out before you say the night is over  
 I want you to know that  
 we gotta, gotta carry on  
 N.C (G )  
 So don't let this be our final song

(Oh) So don't let this be our final song  
 So hear me out before you say the night is over  
 I want you to know that  
 we gotta, gotta carry on  
 So don't let this be our final song

ooohooohoo ooohoo, take us to a higher ground  
 Here and now, whatever you do, just don't look down  
 ooohooohoo ooohoo, underneath the disco light, it's  
 alright  
 We could make the perfect sound

ooohooohoo ooohoo, take us to a higher ground  
 Here and now, whatever you do, just don't look down  
 ooohooohoo ooohoo, underneath the disco light, it's  
 alright

N.C  
 Don't let this be our final song
