

Mø - Fire Rides

Tom: G

Bm
 Pure, sweet, violent hearts
 Believes the signs we see in the cards
 Believes the signs we read in our dreams
G **Em** **D**
 But we seem to follow the stream
Bm
 What's it gonna be with the violence?
D **Bm**
 What's it gonna be with the fire rides?
D **Bm** **G**
 And what's it gonna be like when the sound of you and I die
Em
 Out?

Gbm **D**
 What am I to do in my room?
Bm **Em** **Bm**
 Oh, look at the walls turning yellow
Bm **D** **Bm** **G**
 What am I to do in the city if I can't have it all, and I
Em **Bm**
 Just wanna feel pity?

Bm **D**
 For my own doomed soul
Bm **G**
 Doomed as the source
Bm
 Where can I find peace in the city as I found in the
D
 Eyes of yours?
Bm **G** **Bm**
 As I found in the eyes of yours

G **B**
 In too deep
Gbm
 Give up and run
G
 No fire rides
B **Gbm**
 Oh, bitch, you've got it wrong
G **B**
 In too deep
Gbm **G** **Bm**
 I have become my darkest dream, which I'm running from
 (**Gbm** **Bm** **Gbm**)

Gbm **D**
 What am I to do with the thunder?
Bm **Gbm** **Bm**
 Don't know who to cast it upon
D
 I just wanna walk to the mountains
Bm **G** **Bm**
 Walk to the mountains all alone
Bm **D**
 For my own doomed soul
Bm **G**
 Doomed as the source
Bm
 Where can I find peace in the city as I found in the
D
 Eyes of yours?
Bm **G** **Bm**
 As I found in the eyes of yours
G **B**
 In too deep
Gbm
 Give up and run
G
 No fire rides
B **Gbm**
 Oh, bitch, you've got it wrong
G **B**
 In too deep
Gbm **G** **Bm**
 I have become my darkest dream, which I'm running from
 (**Gbm** **Bm** **Gbm** **G**)
G **Bm** **Gbm**
 Oh, nothing
G **Bm** **Gbm**
 Oh, nothing ('Cause we seem to follow the stream)
G **Bm** **Gbm**
 Oh, nothing
G **Bm**
 Oh, nothing
Bm
 What's it gonna be with the violence?
D **Bm**
 What's it gonna be with the fire rides?
D **Bm** **G**
 And what's it gonna be like when the sound of you and I die
Em
 Out?
