

Mø - Turn My Heart To Stone

Tom: C
Intro: Am G Em F
Am G Em F

Am G Em
Where were you, babe, when I needed you?

All of your shit's lying on the floor
Am G Em
Like you were just here, but you never were here

No, you are not here
Am G
I've always been weak for your every move
Em F Am
Have a weird thing for the likes of you
G Em
Loves me so good, but does me no good
F
No, it does me no good

Am G Em
I wish I could turn my heart to stone
F Am
I would be better off alone
G Em
I wish I could turn my, wish I could turn my
F Am
Wish I could let you go

(Let you go)
G
I don't really wanna talk about it
Em
(Let you go)
F Am
I don't really wanna talk about it
(Let you go)
G
So pull me closer to you, babe
Em Em F Am
Let's push it, push it, push it (0h)

(Let you go)
G
I don't really wanna talk about it
Em
(Let you go)
F Am
I don't really wanna tell you the truth
(Let you go)
G Em
So pull me closer to you babe, oh, yeah
F
Wish I could turn my heart to stone

Am G Em F Am
Let you go, fly back out the window
G Em F
Let you go, fly back out the window

Am G Em
You're always gone bettin' on your race
F Am
While I'm makin' love to the empty space
G
What's that on your text, yeah
Em F
I'm seein' red now, I'm seein' red
Am G Em
Yeah, where were you, babe, when I needed love?
F Am
That shit will stay with you when I'm gone
G Em
The higher you fly, yeah, higher your fly
F
The harder you fall

Am G Em
I wish I could turn my heart to stone
F Am
I would be better off alone
G Em
I wish I could turn my, wish I could turn my
F Am
