

Modern Baseball - How Do I Tell a Girl I Want To Kiss Her

Tom: Eb Sending cause they're nothing but proof (com acordes na forma de C) He's thinking "hold my hand, hold it tight whether Capostraste na 3ª casa Intro: C F Am G The weather is cold tonight. I promise it will be alright" She smiles bites her lips and turns away She's on his mind day and night From that point on she's not just another face Thinks he takes her for granted but to her surprise She turns back to him with those hazel eyes С He needs her more than she needs him There is no point of return she's all thats on his mind Won't fight, no just walks away But he doesnt know what she's been through before Won't tell his secrets just keeps them safe Puts herself on the front lines with no reward Thats why she's, she's not just another face And takes care of everyone else before herself She catches on to all his signs She's on his mind day and night A change of pace for her but it's fines She's not used to it but he goes the distance for her too Thinks he takes her for granted but to her surprise She is all he needs and desires He needs her more than she needs him Won't fight, no just walks away And it is about time that she acquired Won't tell his secrets just keeps them safe Someone who knows she's not a fool Thats why she's, she's not just another face She's on his mind day and night Thinks he takes her for granted but to her surprise So now her picture is in his head and she's all he talks about He needs her more than she needs him to his Friends Won't fight, no just walks away He acts like it's nothing but we all know the truth Won't tell his secrets just keeps them safe But she thinks she's been through it all before Thats why she's, she's not just another face But this time it's different and she can't ignore those signs Thats why she's, she's not just another face Acordes Εb
