

# Modern Baseball - Your Graduation

Tom: **B**

Verso:

**B**  
It's been three whole years of me thinking about you every day

Sometimes for hours, sometimes in passing

**Gbm7**  
Saw you from the bottom of the staircase

Stood out for hours as you complained

**Abm7**  
About how you havent seen your friends yet

That you're too drunk to stand and

**Bbm6** **B**  
You not knowing if you can love him forever

**B**  
Bullshit you fucking miss me

There I said it I guess I'll talk to you in a few months

Sitting drunk on the sidewalk

I guess I'll get up, I guess I'll go for a walk

Brushed my shoes against the pavement

I swear this has gotta be the hundredth

**Bbm6** **B**  
Time I thought of you tonight

Refrão:

**Abm7** **B**  
You werent the only one  
**Gbm7** **Abm7**  
who thought of us that way  
**Abm7** **B** **Gbm7**  
I spend most nights awake

Wide awake

**Abm7** **B**  
I never thought that I  
**Gbm7** **Abm7**  
Oh I would see the day

**Abm7** **B**  
Where I'd just let you go  
**Gbm7**

Let you walk away

**B**  
Where I let you and walk away

Verso 2:

**B**  
Used to call you crook, called you a bandit

**B** **Gbm7**  
There aint no other god damn reason why

my heart, it would go missing

For so many months so I was wishing that you

That you would stop pretending

Remember all those countless nights

**Bbm6**  
When I told you I loved you

**B**  
And youd never forget it

Oh just forget it
