

# Molejo - Cucaracha Tupiniquim

Tom: F

Introdução: C7 ( F Dm Gm C7 Gm C7 F ) ( F Dm Gm C7 Gm C7 F ) C7

Baila comigo  
 Isso parece cucaracha  
 Rebola bola te relaxa  
 Porque chegou a hora de zoar, zoar, zoar, zoar  
 Cola comigo  
 Quero sentir o teu umbigo  
 Roçar no meu mas que castigo  
 Mexe esse molho sem parar  
 Esqueça tudo  
 Deixa rolar a alegria

A noite é uma criança  
 E a gente não deve deixar passar, passar, passar, passar  
 Roda morena  
 Eu quero ver você em cena  
 Não faz piti minha morena  
 O baile não pode parar, parar, ah  
 Deixa comigo  
 Que eu tomo conta desse encanto  
 O teu encanto faz sonhar  
 Eu não me canso de sonhar, sonhar  
 Ai que zoeira  
 Você me faz pensar besteira  
 Minha cabeça dá um nó
