I went out to walk and feed the night
What I chase is always out of sight
Surely I've been misbehaving
I'm deserving everything that's awaiting the story goes on

(Am F G Dm)
(Am F G Dm)

I kept going, must have gone too far
Sometimes we don't even know where we are
Looking at the cars and stealing all the stars
I walked right into a bar, where they kept the radio on

The song they play makes you wanna sing along
We go along, we know there's nothing wrong
We try to live in the along
Knowing it goes on, long after we're gone

Am F G Em Dm
After we're gone
(Am F G Dm)
(Am F G Dm)
(Am F G Dm)
(Am F G Dm)

We know it's never too late
We know the end awaits
Life will bring about this fear of missing out
There's a party going on and our lives are open all night long

(Am F G Dm)
(Am F G Dm)
(Am F G Dm)
(Am F G Dm)

I kept going, must have gone too far
Sometimes we don't even know where we are
Looking at the cars and stealing all the stars
I walked right into a bar, where they kept the radio on

And the story goes on
We're just people who are trying to get along
Thank you for having me and here in my song
We know there's nothing wrong
With knowing that the music goes on, after we're gone
After we're gone
