

# Monica Salmaso - Saci

Tom: A

Quem vem vindo ali  
 É um preto retinto e anda nu  
 Boné cobrindo o pixaim  
 E pitando um cachimbo de bambu

Vem me acudir  
 Acho que ouvi seu assovio  
 Fiquei até com cabelo em pé  
 Me deu arrepio, frio

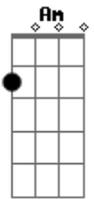

Quem vem vindo ali  
 Tá capengando numa perna só

Só pode ser coisa ruim  
 Como bem já dizia minha vó

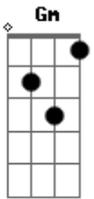

Diz que ele vem  
 Montado num roda-moinho  
 Já sei quem é, já vi seu boné  
 Surgir no caminho

Quando ele vê que eu me benzi  
 E que eu me arre.....do, cruz cre.....do  
 Solta uma gargalhada  
 Some na estrada  
 É o Saci
