

The Monkees - I Am a Believer

```
Tom: C
                                                           I?m in love,
                                                                              I?am a belie ? ver, I couldn?t leave
                                                         G her, if I try.
                  G
I thought love was only true in Fairy Tales
                                                Meant for
someone else, but not for me
                                                           LEAD:
                                                                       GDG GDG
                                                 С
                                                  That?s
Love was out to get me, (tu ru tu ru)
                      (tu ru tu ru)

G
the way it seems,
                                                            Love was out to get me,
                                                                                    (tu ru tu ru)
                                                                                                        That?s the way
                                                           it seems, (tu ru tu ru)
Disappointment haunted all my dreams.
                                                           Disappointment haunted all my dreams?.
                              С
                       G
          CG
Then I saw her face,
                                     Now I?m a believer
                                                            Then I saw her face,
                                                                                                 Now I?m a believer

           C G
                                                           Not a trace,
Not a trace,
                                         of doubt in my
                                                                                                     of doubt in my
mind,
                                                           mind,
                       С
                                                           C
                                                                                C
I?m in love,
                      I?am a belie ? ver, I couldn?t leave I?m in love,
                                                                            I?am a belie ? ver, I couldn?t leave her,
                                                           if I try.
her, if I try. (one more time)
                                                                   G C G G G
                   D
                                   G
I thought love was more or else a given thing,
                                                   the
                                                           Yes I saw her face
                                                                                       (I?am a believer))
more I gave the less I got
                                                           Now I?am a believer
                                                                                       (I?am a believer))
                                                                   G C
                                                                      G C G
What's de use of trying, (tu ru tu ru),
                                                           Not a tra ? a ce
                                                     A11
                                                                                            (I?am a believer))
you get is pain (tu ru tu ru)
                                                           Of doubt in my mind
                                                                                        (I?am a believer)
                                                               C
When I wabted sunshine I got rain,
                                                           I?am a believer Yeah
                                                                                        (T?am a believer)
                                                                                                                  T?am
                                                           a believer
                                                                                        (I?am a believer))
           \mathsf{C} \mathsf{G}
                                                              C
Then I saw her face,
                                     Now I?m a believer
                                                           I?am a believer Yeah
                                                                                        (I?am a believer)
  C G
                                               C
                                                                                                           Yeah.
                                                           Yeah, Yeah. And I saw her face
                                         of doubt in my
Not a trace.
                                                                               I?am a believer, I couldn?t leave her,
                                                           If I tried, tried tried, ?BELIEVE"
