

# The Monkees - Sometime In The Morning

tom:

Intro: E E E E

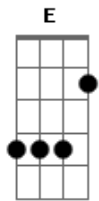

Sometime in the morning  
 A simple thought may occur to you  
 And you hold her  
 And tell her all the things  
 You never told her

Your love has shown me things  
 I never thought I could see  
 I didn't know (I didn't know)  
 It could be done so easily  
 Now I know (Now you know)  
 You're where it is for me

Sometime in the evening  
 You're sitting there by the fireside  
 And she'll touch you  
 And you'll realize

How much you never knew before

How much you couldn't see  
 You didn't know (you didn't know)  
 It could be done so easily  
 Now you know (Now you know)  
 She's all a girl could be  
 Now in her childlike eyes  
 You see the beauty there  
 You know it was always there  
 And you need no longer wear a disguise  
 Sometime in the morning  
 You'll just reach out and  
 She will be there  
 Close as the summer air  
 Sometime in the morning  
 She will be there  
 Sometime in the morning  
 She will be there
