 Someone to understand them  
 D A  
 And you just may be the one

 All men must have someone  
 Have someone

 Someone to stand beside them

 And you just may be the one

 The lovelight in your eye

 All men must have someone  
 Have someone

 Someone to understand them

 And you just may be the one  
 E D  
 Someone to understand them  
 D A  
 And you just may be the one
