

Monty Python - Always Look On The Bright Side Of Life

Tom: G

Some things in life are bad they can really make you mad
 Other things just make you swear and curse
 When you're chewing on life's gristle
 Don't grumble give a whistle
 And this'll help things turn out for the best

And always look on the bright side of life
 Always look on the light side of life

If life seems jolly rotten there's something you've forgotten
 and that's to laugh and smile and dance and sing.
 When you're feeling in the dumps don't be silly chumps
 Just purse your lips and whistle - that's the thing
 And always look on the bright side of life
 Always look on the bright side of life

For life is quite absurd and death's the final word

you must always face the curtain with a bow
 Forget about your sin - give the audience a grin
 Enjoy it - it's your last chance anyhow.

So always look on the bright side of death
 just before you draw your terminal breath

Life's a pice if shit when you look at it
 Life's a laugh and death's a joke it's true
 You'll see it's all a show
 keep'em laughing as you go
 just remember that the last laugh is on you

And always look on the bright side of life
 Always look on the right side of life
 (Come on guys, cheer up)
 Always look on the right side of life
 Always look on the right side of life
