

Moraes Moreira - Choro Pequeno

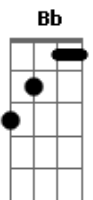

Tom: Bb

Intro: D7

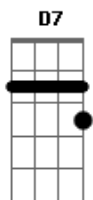

Segue mais um choro pequenino
 Mais um recado menino
 Um segredo pra contar
 Pegue bem depressa um cavaquinho
 E olhe cara com carinho
 Nota por nota, notar (X2)
 Saiba que o trilhar desse caminho
 Não será sempre de flores
 Como também só de espinhos

Alegria mais do que tristeza
 Tudo que vem da beleza
 E nasce da transformação
 Profunda alquimia
 Que o coração e a mente
 Quando em harmonia com o universo
 Realiza o verso em forma de canção
 Profunda alquimia
 Que o coração e a mente
 Quando em harmonia com o universo
 Realiza o verso em forma de canção
 (Solo: mesma base do vocal)
