G
Meet me on the other side

It's a brand new start to a brand new life, and I'm open

Cause we both share the same degree

Of ecology and philosophy, I'm hopin'

G
It's a lonely world without a friend

To lead the way and to depend on

G
I need someone to wake me up

C
From the lazy sleep that locks me down, I need you

Em7 G C
You lead me down to the water's edge

Em7 G C
Let's take a rest on the riverbed

G
Take your time I'm almost there

C
I brushed my teeth and combed my hair, one minute

G
There's no rush where we will go

C
The past has gone, the pace is slow, infinite

G
Now we need to realize

C
All the things I devised before now

G
So put a blindfold on my eyes

C
I need to feel your sweet surprise, you know how

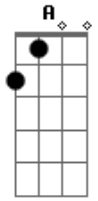

Em7 G C
You lead me down to the water's edge

Em7 G C
Let's take a rest on the riverbed

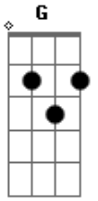

Em7 G C
You lead me down to the water's edge

Em7 G C
You're all that I need, you go ahead
