tom:  
**F** (forma dos acordes no tom de **G**)  
 Afinação: **D G C F A D**

Intro: **C F**  
 [Primeira Parte]

**C**  
 Granddaddy drank heavy and daddy drank light  
**C**  
 I can turn any day to Saturday night if I want to  
**F**  
 And most the time I want to  
**C**  
 I can still paint a picture of a hemlock view  
**C**  
 My mountains had smoke, but the ones that were blue that we'd  
 buy then  
**F**  
 Were the ones I spent a little more time in

[Pré-Refrão]

**Dm**  
 Between the hangovers and the handcuffs  
**F2**  
 It's been a minute since I've had one in my hand 'cause

[Refrão]

**C**  
 Everybody says it's gonna be the death of me  
**F**  
 But these days I'm livin' on the side of alive  
**F**  
 Just 'cause I smile through my sobriety  
**C**  
 Don't mean it ain't chillin' in the back of my mind  
**C**  
 I ain't sayin' I swore it off for good  
**F**  
 I'm just sayin' I'm doing the best I can  
**F**  
 But what do you expect from a redneck?  
**C**  
 Hell, I was born with a beer in my hand

[Segunda Parte]

**C**  
 When I was puttin' 'em down, they put me through hell  
**C**  
 Put some scars on some trucks, myself as well  
**F**  
 But if I never did put that can to my mouth
