A

Black-eyed Susan

You make us nervous

Dbm

Because we're very aware

That you do not care

Oh, Black-eyed Susan

What don't you believe in ?

No is always easier than yes

Whoo!

Black-eyed Susan

You must insist

You are a born-again atheist, oh

Oh, heavy-rings on

Bitten fingers

Black-eyed Susan sometimes

Shakes to break

So, watch it

Acordes
