

Morrissey - I Wish You Lonely

Tom: A

Intro: Gbm E

Gbm E Gbm E
I wish you lonely if only for one day

So that you might see routine for me

Since the day I was born, born

Gbm E Gbm E
Think of yourself only of everything you demand

Oh! You want and you need and to hell

To hell with everybody else, everybody else

Gbm E Gbm E
Turn the key slowly remember how I can't sleep

Or if ever I do, an earthquake an earthquake

Oh! Couldn't agitate, couldn't agitate

Gbm E Gbm E
Tombs are full of fools who gave their life upon command

Dbm D
Of monarchy, oligarch, head of state, potentate
Dbm D E
And now never coming back, never coming back

Gbm E Gbm E
Tombs are full of fools who gave their life upon command

Of Romance gone wrong he same old glue

and never coming true, never coming true

Gbm E Gbm E
Tombs are full of fools who gave their life upon command

Oh heroin, heroin, heroin, heroin, heroin

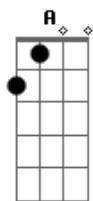

And never coming back, never coming back

Gbm E Gbm E
I wish you lonely like the last tracked humpback whale

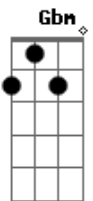

Chased by gunships from Bergen

But never giving in, never giving in
