

Mother Mother - I Got Love

tom:

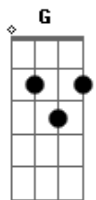

I don't got a God I can call my own (ah)
 And I don't got a body that feel like home (ah)
 Don't got a job, don't got a buck, don't got a house, don't got no Throne (ah)
 Don't got a plan, don't got a chance, don't see a hand to hold my Own (ah)
 But I got love (I've got love, oh)
 But I got love (I've got love, oh)
 So I rock my pain like a baby child
 And I know that we'll be alright (Alright, alright, alright)
 Cause I got love (I've got love, oh)
 Cause I got love (I've got love, oh)
 And I got my heart that's just beating around the clock

'Cause I got love, I got love, I got love
 And I got my family, yeah, fucked up as they are
 'Cause I got love, I got love, I got love
 La, la, la-la-la-la-la-la-la
 Yeah, yeah, yeah, yeah, everything can fall away
 Yeah, yeah, yeah, yeah, society can burn in flames
 Oh, yeah, yeah, but I won't need my arms or legs
 Or eyes to find my way
 Cause I got love (I've got love, oh)
 Cause I got love (I've got love, oh)
 And I got my heart that's just beating around the clock
 I got love, I got love, I got love
 And I got my family, yeah, fucked up as they are
 I got love, I got love, I got love
 Yeah, I got my heart, my heart, my heart, my heart
 I got love, I got love, I got love
 Yeah, I got my family, yeah, batshit as they are
 I got love, I got love, I got love
