Without you, there's no change
 My nights and days are grey

If I reached out and touched the rain
 It just wouldn't feel the same

Without you, I'd be lost
 I'd slip down from the top
 I'd slide down so low
 Girl you never, never know...

Without you, without you
 A sailor lost at sea
 Without you, woman,
 The world comes down on me

Without you in my life
 I'd slowly wilt and die
 But with you by my side
 You're the reason I'm alive
 But with you in my life
 You're the reason I'm alive
 But without you, without you...

(F Dm F Dm G A Bb)

Without you, my hope is small
 Let me be me all along
 Let the fires rage inside
 Knowing someday I'd grow strong

Without you, without you
 A sailor lost at sea
 Without you, woman,
 The world comes down on me

Without you in my life
 I'd slowly wilt and die
 But with you by my side
 You're the reason I'm alive
 But with you in my life
 You're the reason I'm alive
 But without you, without you...

I could face a mountain
 But I could never climb alone
 I could start another day
 But how many, just don't know

You're the reason the sun shines down
 And the nights, they don't grow cold
 Only you that I'll hold when I'm young
 Only you... as we grow old
