

Motörhead - Dont Let Daddy Kiss Me

tom:

Intro: Little girl sleeping in dreams in peace
 Mommy's been gone a long time
 Daddy comes home when she still sleeps
 Waiting for the world's worst crime
 And he comes up the stairs like he always does
 And he never turns on the lights
 And she's wide awake, scared to death
 She smells his lust and she smells his sweat
 Curled in a ball she holds her breath
 Praying to a god that she's never met

Don't let daddy kiss me
 Don't let daddy kiss me
 Goodnight

Little girl lies by her daddy's side
 And she listens to him breathe
 She knows there's something awful wrong
 That she's far too young to see
 And she knows she can't tell anyone
 She's so full of guilt and shame
 And if she tells she'll be all alone
 They'd steal her daddy and they'd steal her home

And it's not so bad when daddy leaves her alone
 Praying to her god with his heart of stone

Don't let daddy kiss me
 Don't let daddy kiss me
 Goodnight

Why, tell me why
 The worst crime in the world

[Solo]

And daddy lies by his daughter's side
 And he sleeps both deep and well
 No nightmares come to him tonight
 Though his daughter lives in hell
 For his seed is sown where it should not be
 And the beasts in his mind don't care
 And the only sound are the tears that fall
 Little girl turns her face to the wall
 She knows that no one hears her call
 But it seems like God hears nothing at all

Don't let daddy kiss me
 Don't let daddy kiss me
 Don't let daddy kiss me
 Goodnight
