

Motörhead - God Was Never On Your Side

Tom: G

Afinação: Eb Ab Db Gb Bb

Eb Em D
When the stars fall down on me,
Am Em
And the sun refuse to shine,
Em D
Then may the shackles be undone,
Am Em
And all the old words, cease to rhyme,
Em D
If the skies, turn into stone,
Am Em
It will matter not at all,
Em D
For there is no heaven, in the sky,
Am
Hell does not wait for our downfall,

Refrão:

C G
Let the voice of reason shine,
Am Em
Let the pious vanish for all times,
C G
God's face is, hidden, all unseen,
Am Em
You can't ask him what it all means
C G
He was never on your side,
Am Em
God was never on your side,
C G
Let right or wrong, alone decide,
Am Em
God was never on your side.

Em D
See ten thousand ministries,
Am Em
See the holy, righteous dogs,

Em D
They claim to heal, but all they do is steal,
Am Em
Abuse your faith, cheat and rob
Em D
If God is wise, why is he still,
Am Em
When these false prophets, call him friend,
Em D
Why is he silent, is he blind?!
Am
Are we abandoned, in the end?
C G
Let the sword of reason shine,
Am Em
Let us be free of prayer and shrine,
C G
God's face is hidden, turned way,
Am Em
He never has a word to say,
C G
He was never on your side,
Am Em
God was never on your side,
C G
Let right or wrong, alone decide
Am Em
God was never on your side! No, no, no!

Solo: C G Am Em

C G
He was never on your side,
Am Em
God was never on your side,
C G
Never! Never! Never! Never!
Am Em
Never on your side!
C G
God was never on your side,
Am Em
Never on your side...
