Motörhead - Keep Us On The Road

Tom: E

E G E G
we begun in the begining
E G E G
Moving Right and moving fast
E G E G
machine's clean so sudenly
E G E G
Should we know it could'n't last
A G E
but when i took her clothes i thougt
she would explode
A G B
Drop another Handfull and kept us on the road

E G E G
The blacks things came from nowhere
E G E G
but they coudn't beat the shield
E G E G
they flued across the highway
E G E G
and we smashed them in a field
A G E
but when i made a suggestion i thougt
she would explode

A G B
Drop another Handfull and kept us on the road

Solo: (E D C B)
Intro: .EG EG EG EG

E G E G
that was round about the third day

E G E G
I remember it was clear

E G E G
we came across a bad vibe

E G E G
naked, blind, with fear

A G E
And that was all we left there,
ain't moving staring cold

A G B
Drop another Handfull and kept us on the road

Solo: (E D C B)
