

Motörhead - King Of Kings

C tom:

Afinação Drop D: (D A D G B E)

Behold the King
 The King of Kings
 On your knees dog
 Ahahah
 All hail
 Bow down to the-, bow down to the King
 Bow down to the-, bow down to-
 The King grinned red as he walked from the place
 Where the traitor lost both his name and his face
 Through the halls and the corridors stinging in blood
 He tasted his grin and it tasted good
 The King took his head
 Left him broken and dead
 Bow down to the-, bow down to the King
 Bow down to the-, bow down to the King
 Bow down to the-, bow down to-
 The King left none living, none able to tell
 The King took their heads and he sent them to hell
 Their screams echoed loud in the place of their death
 Ripped open they died with their final breath
 They hailed to the King
 The King of Kings

Bow down to the-, bow down to the King
 Bow down to the-, bow down to the King
 Bow down to the-, bow down to the King
 Into the dirt
 His will be done
 Now feel your fear
 There can be only one
 Bow down
 Bow down
 Bow down
 Bow down
 Bow down to the-, bow down
 Bow down to the King
 Bow down
 Bow down
 Bow down
 Bow down
 Bow down
 The King is here
 Now feel your fear
 The King of Kings
 All hail, all hail the King
 On your knees, on your knees for the King
 The King of Kings
 There is only one
 Behold the king, the king of kings; on your knees boy
 Bow down to the, bow down to the king!
