

Motörhead - Till the End

Tom: Db

Verse I:

Don't tell what to do my friend
 you'll break more hearts than you can mend
 I know myself than no one else
 nothing to defend
 my life is filled with good advice
 and you don't have to tell me twice
 living here in paradise
 no rules that I should bend

Chorus:

In my years my life has changed
 I can't turn down desire
 I can show you just one day you could change
 all I know is who I am
 I'll never let you down

and that's why you can trust until the end
 Verse II:

there ain't no rules to follow
 you can't predict tomorrow
 I know just who my friends are
 a lesson turned to stone
 your memories are yours alone
 their yours until you're dust and bones
 I know the things I'm looking for
 I know just what I want

Chorus:

In my years my life has changed
 I can't turn down desire
 I can show you just one day you could change
 all I know is who I am
 I'll never let you down
