

Mr. Loco - Religious Man

tom:

Intro: D A A D

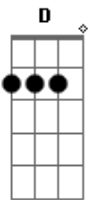

Because you're there, when I awake
 And then you give me, a life so great
 Because the children, with you can play
 I think, I think I am
 'Cause when I speak, you're always there
 You even listen, what I can tell
 'Cause you're my gospel, my daily bread
 That's why I think I am
 I am, I am, I am, I am
 I think I am
 I thank I am
 I'm glad I am
 I'm proud I am
 A real religious man
 I am I am, I am I am
 I pray I am
 I feel I am
 Oh, Lord, I am
 God knows I am
 A real religious man
 -Solo de Flauta-
 As I realised, you're my best friend
 Can separate, a chance from fate

'Cause you have all, I need to take
 That's why I think I am I am I am oohh
 'Cause I don't pray, I just Behave
 'Cause Saints and sinners, are quite the same
 This is my temple, the whole wide world
 That's why I think I am I am
 I am, I am, I am, I am
 I think I am
 I thank I am
 I'm glad I am
 I'm proud I am
 A real religious man
 I am, I am, I am, I am
 I pray I am
 I feel I am
 Oh, Lord, I am
 God knows I am
 A real religious man
 I am, I am, I am, I am
 I pray I am
 I feel I am
 Oh, Lord, I am
 God knows I am
 A real religious man
 A real religious man
