

# Mt. Joy - Julia

tom:  
 F  
 Gm  
 Straighten my sweater, fix my spine  
 Step up in line, I'm ordering food high  
 And I don't know why  
 Gm  
 I'm so nervous I won't make it  
 F  
 'Cause that's my favorite waitress  
 Gm  
 Those big brown eyes  
 I don't know what I ordered  
 But you're smiling like I can't afford it  
 ( Bb Am C )  
 Gm  
 Addicted to TED talks  
 Waiting for lift off  
 But I didn't know it if it's doing much  
 F  
 'Cause I just lost my mind  
 Gm  
 In the fluorescent lights of my life  
 F  
 In my mind, a river running free like rabbits  
 Gm  
 But Julia  
 F  
 Fix me a blue sky in the world sun  
 And i'll be back now  
 Gm  
 Julia  
 F  
 How long, how long till I'm all gone?  
 'Cause here I am

Just stumbling down  
 Am  
 Elysian Fields  
 F  
 A spanish moss  
 And a sudden feel  
 C  
 Silver moonlight in the trees  
 Bb  
 And the devil's in my bloodstream  
 F  
 Don't say you love the old me  
 Bb F  
 Woah now, Woah now  
 Bb F  
 Woah now Oooh  
 Bb F  
 Woah now Oooh  
 ( C Gm C Gm )  
 Bb Am  
 Just stumbling down Elysian Fields  
 F  
 Your vision coming clear  
 C  
 And I don't know where home is  
 Bb F  
 And the doors wide open  
 Gm  
 Julia  
 F  
 How long, how long, how long, oh lord, oh lord  
 Gm  
 Julia  
 F  
 How long, how long till it's all gone?  
 How long, how long?  
 C  
 'Cause you deserve a man to lead you in  
 Bb Am F  
 But here I am just stumbling down Elysian Fields again
