

# Muffs - Sad Tomorrow

tom:

**G**  
I don't even know why  
Do you think I'm a mess  
Maybe someday but now you're gone

**G**  
When I do as I please  
I'm no different to me  
**Am** I crazy or have good luck

**C** **A** **C** **A**  
You're the talk of the town  
**C** **D** **D**  
So you say (oh, oh)

**G** **C** **G** **C**  
I don't know why you're so glad  
**G** **C** **A**  
When my head's filled with sorrow  
**G** **C** **G** **C**  
So maybe if I fade away  
**A** **C** **G**  
There'll be no sad tomorrow

**G**  
My whole life is a drag  
Baby listen to me  
**C** **A** **G**  
When I go away, will you care

**G**  
I feel naked and weird  
Do you see what I hear  
**C** **A** **G**  
Maybe one day I'll die, who cares

**C** **A** **C** **A**  
Hide away in complete  
**C** **D** **D**  
Misery (oh, oh)

**G** **C** **G** **C**  
I don't know why you're so glad  
**G** **C** **A**  
When my head's filled with sorrow  
**G** **C** **G** **C**  
So maybe if I fade away  
**A** **C** **G**  
There'll be no sad tomorrow
