É fim de semana e vou cantar pra ela
 A canção que fiz só pra matar saudade
 O nosso romance já pintei na tela
 E assinei embaixo, é amor de verdade

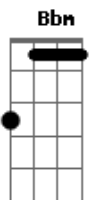

Como é lindo te querer
 Te beijar, te seduzir
 Uma noite de prazer

Só você me faz sorrir

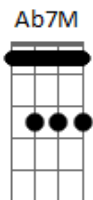

Com seu jeitinho dengoso
 Lindos lábios cor de mel
 Nosso amor é tão gostoso
 Que nos faz sentir no céu

Com seu jeitinho dengoso
 Lindos lábios cor de mel
 Nosso amor é tão gostoso
 Que nos faz sentir no céu
