

Mumford & Sons - Believe

Tom: D

You may call it this evening
 But you've only lost the night
 Present all your pretty feelings
 May they comfort you tonight
 And I'm climbing over something
 And I'm running through these walls

I don't even know if I believe
 I don't even know if I believe
 I don't even know if I believe
 Everything you're trying to say to me
 (Bm A) 2x

I had the strangest feeling
 Your world's not what it seems
 So tired of misconceiving
 What else this could've been

I don't even know if I believe
 I don't even know if I believe
 I don't even know if I believe
 Everything you're trying to say to me

So open up my eyes
 Tell me I'm alive
 This is never gonna go our way
 If I'm gonna have to guess what's on your mind
 (G Bm D B)

Say something, say something
 Something like you love me
 Less you want to move away
 From the noise of this place

I don't even know if I believe
 I don't even know if I believe
 I don't even know if I wanna believe
 Everything you're trying to say to me

So open up my eyes
 Tell me I'm alive
 This is never gonna go our way
 If I'm gonna have to guess what's on your mind

So open up my eyes
 Tell me I'm alive
 This is never gonna go our way
 If I'm gonna have to guess what's on your mind
